### **INDEPENDENT AUDITOR'S REPORT**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the **THENI DISTRICT MINERAL FOUNDATION TRUST** (hereinafter called the Trust) Theni district, which comprise the Balance Sheet as at 31<sup>st</sup> March, 2018 and the Statement of Income and Expenditure account for the year then ended and a summary of significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Receipts and Payments of the Trust in accordance with the requirements of The Tamil Nadu Mineral Foundation Rules, 2017 to the extent applicable and in the manner possible. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Branch's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the said accounts together with the notes thereon give the information required, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the Balance Sheet, of the state of affairs of the **THENI DISTRICT MINERAL FOUNDATION TRUST**, Theni Dt. as at 31<sup>st</sup> March, 2018 and
- (i) in the case of the Income and Expenditure Account of the excess of Income over Expenditure for the year ended on that date

Subject to that

**No records produced in respect of Quarries given on Lease Before 12.1.2015 and after 12.1.2015 so that applicable percentage (30% or 10%) of contributions to the Trust Funds could not be verified.**

**More over the Trust has started collecting funds w.e.f 21.8.2017 only instead of 12.1.15, hence the differential arrear amount together with interest has to be worked out and collected from lessees**

## Further We report that:

Only Cash Collections register has been maintained and the Receipts and Payments Account, Income and Expenditure Account and the Balance Sheet have been compiled from the cash collection register and Bank Pass Book.

Bank Deposits entries in Bank Pass Books Could not be matched with Lessee from whom such amounts have been collected. We have tallied the Gross Collections as per the Collections Register during the year with the Gross Deposits in the Bank Statement and No Shortages Observed.

We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory.

No Cash balance was maintained by the Trust and we have verified the Bank Balances from Bank pass books/ Statements and other documentary evidences.

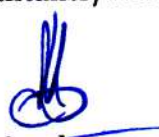

- (i) The Statements of accounts are prepared as per The Tamil Nadu Mineral Foundation Rules, 2017.
- (ii) Opening balance and Closing Balance of the receipts and payments account tallies with that Cash/ Bank Book.
- (iii) Reconciliation of the Bank Account has been made up to the period of audit
- (iv) There is no diversion of funds noticed
- (v) There is no negative cash balance at any stage during the year
